

TALK IT OVER

SMALL GROUP SERMON DISCUSSION

Frequency
January 7, 2017

1. Pastor talked about several different kinds of hearts - what kind of heart do you have? Is your heart tuned to the frequency where God can speak to you? Do you find yourself in several different categories at times? What steps can you take to make sure that your heart is in a position to hear the Lord?
2. How do you make decisions? Are you a deep thinker, do you list the pros and cons, or do you “go with your gut?”
3. Did you grow up with the idea that hearing God is normal, or was it a strange or awkward concept?
4. The Bible says that Jesus is the Good Shepherd, you are one of His sheep and His sheep hear His voice. How does that make you feel?
5. Pastor Curt says that to hear God’s voice, you have to turn down the world’s volume. Discuss the things that distract you most and how to tune out those to focus on hearing God?
6. Discuss with the group how you create an environment to hear God’s voice. Explain what this looks like practically.
