

Conversation Starters for kids after Adult Service

PARENTS,

You are the most important influence in your child's life! We believe in you! This page is designed with you and your family in mind. These activities and questions are meant to be simple and create conversations from the message. The goal is to have church with your family at home!

CONVERSATIONS WITH OUR KIDS: (5 MINUTES)

1. Ask kids to write or draw notes. (This can be with our notes page or even a blank piece of paper)
2. Invite them to share their thoughts with you about the worship, message or anything else on their mind.
3. Pray! Encourage your kids to take turns saying a prayer. Finish your time together by praying over your entire family.
 - a. Tip: Repeat after me prayers are a great way to engage at a younger age.
 - b. Sample prayer: "Dear Jesus, thank you for today, we love you, keep us healthy, we put our trust in you. In Jesus name, Amen."

HELPFUL TIPS:

- Give kids a start and stop time for the discussion. "We are going to set a timer for 5 minutes"
- Offer an incentive. "Let's chat about this and then we will go for a family walk."
- Let kids be kids. We understand not every child engages in the same way and that's okay.
