## Big Idea

Pastor Curt – Part 2

**Happy Father's Day!** You deserve a day to be honored! Being a dad can be difficult and most likely is difficult. Whether you had a dad growing up, didn't have a dad growing up, had a bad dad, or hopefully had a good dad, today's message will give you three ways you can be a great dad. Pastor Curt uses a familiar parable that Jesus told called the Prodigal Son from Luke 15. He highlighted three ways the father did a great job with two very different and difficult sons.

Dads, our children are **NOT** looking for you to be perfect, they are looking for you to be present with them. To be a great Dad: **1) Provide Safety.** We give our kids security by being consistent and modeling stability. **2) Provide Direction.** Our kids need Godly input for their unique personalities. **3) Provide Forgiveness.** We must model the grace given to us from our Heavenly Father! You, dad, are the most important influence for how your son or daughter will relate to God the Father. Pastor Curt is praying that this Bible verse will be true for you: **He (God) will turn the hearts of the fathers to their children, and the hearts of the children to their fathers. Malachi 4:6 NIV** It starts with us, Dads!
