

VICTORY CHURCH

Big Idea

Vision Sunday - Pastor Curt

This week, Pastor Curt talked about what God is doing at Victory and reminded us of the church's vision, which helps us follow God's plan for our lives and reach our full, God-given potential. The strategy for Victory Church is to take people on a journey to Know God, Find Freedom, Discover Purpose, and Make a Difference.

Knowing God personally is the most important part of this vision. Here at Victory, we emphasize growing in our relationship with God through practical teaching during the weekend services. Having a real relationship with God empowers us to move forward in His plan for our lives. The next step is to Find Freedom from the things that hold us back from God's best. At Victory, we find freedom and healing through the meaningful, Godly relationships we develop in Groups. The third step is to Discover our Purpose. God has given each of us a unique and distinct purpose, and we begin the process of discovering what it is through the Victory Church Growth Track. The Growth Track offers us the opportunity to learn about the gifts and passions God has given us to use for His glory. As we go through these first three strategic steps, we become equipped to accomplish the fourth, which is to Make a Difference. So many are making a difference here at Victory Church every week by playing a part on the Serve Team. Our church believes these four strategies are the keys to God's plan for our lives and the fulfillment of our mission. Let's commit to taking our next steps so that we can experience the true fulfillment God has in mind for us.

Discussion Questions

- Which of the four parts of the Victory Church strategy do you think you need to give more attention to in your life? Discuss your answer.
- Why do you think finding freedom is such an important step in your spiritual journey?
- In what ways do you feel like God is calling you to make a difference in the lives of others?

Prayer Focus

This week pray through Ephesians 1:16-18 daily. Keep asking God to open the eyes of your heart, to give you a spirit of wisdom and revelation so that you can know Him more. Ask that He'd help you to discover the hope to which you've been called, the glorious inheritance we have in His holy people.

Next Steps

Next steps are how we go on the journey that God has marked out for us. No matter where you are on your spiritual journey, you need Godly people around you supporting you, praying for you, and encouraging you. In this Covid season, who have you allowed into the dark parts of your life? Find someone and walk together to pursue God's plan for your life. Talk with them about the next step that the Holy Spirit has been nudging you towards. Share with the group for support and accountability.

Leader Tip

Challenge your group members to identify and take their next steps. Encourage the group to rally around each other and cheer one another on as they take steps and grow.
