

More than 1.2 million babies are killed by abortion in the United States every year. That's over 3,300 every day. Approximately one of every five babies conceived in the United States is killed by abortion. Abortion is the leading cause of death in the United States, more than heart disease and cancer combined.

Scripture

Open your mouth for the speechless, in the cause of all who are appointed to die. open your mouth, judge righteously, and plead the cause of the poor and needy. Proverbs 31:8-9

Prayer

Pray that God would give you a single focus this week and open your eyes to the need surrounding women/families in crisis pregnancy and babies at risk of abortion.

Human life is sacred because God created it. Psalm 139 elaborates on this truth, telling us it was God who “formed [our] inward parts” and we are all “fearfully and wonderfully made”. Every child conceived is God’s workmanship; therefore, every life, from its beginning to its end, belongs to God! Think how grieved He is when His workmanship is destroyed before the baby even has a chance to leave the womb.

Scripture

God created man in His own image; in the image of God He created him; male and female He created them. Genesis 1:27

Prayer

Pray that you, the Church, and our whole nation would stand up for the sanctity of human life.

When we address the issue of abortion we must not let our anger be divorced from mercy, particularly when we are trying to help someone going through a crisis pregnancy. As receivers of mercy we must also be givers of it.

Scripture

Therefore be merciful, just as your Father also is merciful. Luke 6:36

Prayer

Pray that the Lord will enable you to show the mercy of Christ to women and families in need.

James 1:27 says “Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble...” In many ways babies in danger of abortion are orphans—one or both of their parents have emotionally abandoned them and are literally considering murdering them. Often a woman in a crisis pregnancy can be considered a widow because either her baby’s father has abandoned her or is threatening to abandon her if she does not have the abortion.

Scripture

Look at the birds of the air; they neither sow or reap nor gather into barns, and yet your heavenly Father feeds them. Are you not of more value than they? Matthew 6:26

Prayer

Ask the Lord to show you how you can serve these women with your time, talent and treasures and serve as His hands and feet to provide.

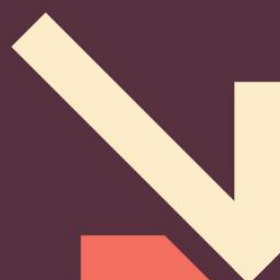

Revival takes place when the Holy Spirit convicts us of our sin and renews our hearts and minds, producing repentance and enduring faith. When we pray for revival in our nation we are seeking a spiritual awakening reviving the souls of all men. In order to end abortion we must ask the Lord to change not only the laws of our country but the hearts of its people.

Scripture

All the ends of the world shall remember and turn to the Lord, and all the families of the nations shall worship before you. Psalm 22:27

Prayer

Pray that the Lord would position the Church to usher in a great awakening, shining His perfect light to expose the darkness and that captives of sin would be set free.

God created us to bring Himself glory and to magnify His name. The act of abortion is taking away one of the means God uses to bring glory to Himself. We must rise up against this evil at our doorstep, and we must begin with prayer.

Scripture

For you formed my inward parts; you knitted me together in my mother's womb. Psalm 139:13

Prayer

Pray that God would move upon the hearts of those who are promoting abortions and that doctors and legislators would see the light, that life begins at conception and the unborn need protection from that point.

It is of little use to pray for change without praying that God would raise up Christians to spread the Gospel. Jesus said “The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest” (Matt. 9:37-38). Most importantly, we ourselves must go. The mission field begins with sharing the gospel with those around us, including those bound for abortion in our cities.

Scripture

Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.

Prayer

Pray about how God might want you to be involved with this issue.
