

Hey there! I'm Carly Snyder, a missionary serving with YWAM Tyler in Texas.

I grew up in Lancaster, and my family has been a part of Victory Church since 2013.

After graduating high school in 2017, I moved down to Tyler, Texas to participate in some of YWAM's discipleship programs. It was then that I truly began to see the world from a larger perspective, from God's perspective, and begin to trade the plans I had for my life for His!

Since 2019, I've had the honor of serving in missions with YWAM full time! YWAM Tyler is a multicultural, multigenerational, multi-denominational ministry! We operate in areas of discipleship, evangelism, and mercy ministry! The Lord has called us to work in various arenas from preaching the gospel around the world, to meeting the needs of people in our own backyard, to discipling and training the next generation of missionaries!

I have the privilege of working in our training department! A lot of what I do includes discipling young adults into their calling as children of God and leading them on outreaches all over the world to share the gospel! The training programs I help to lead are 5 months total. The first three months is spent in a classroom diving deep into the character and nature of God and what relationship with Him looks like. We then lead the students on a two month outreach somewhere in the world to expose them to world missions and put into action everything they have learned in the classroom! It is truly a pleasure partnering with God in what He is doing in the students I get to work with as well as the nations and communities we travel to!

If you're interested in hearing more, I would love to get in touch with you! Feel free to contact me by phone, text or email!
