

# VICTORY CHURCH

## Big Idea

## Vision Sunday

Pastor Curt Seaburg

Here at Victory, we believe God wants us to go on a spiritual journey. In this Vision Sunday message, Pastor Curt shared the heart of our Vision and Mission here at Victory. Knowing God through a real relationship with Jesus transforms each of us into an entirely new person. God intends for us to work through our issues and experience healing in lifegiving relationships with others which helps all of us Find Freedom. Through the Growth Track, you can take specific steps to discover your God-given Purpose, potential and calling in life. When we connect with the Body of Christ and serve together, we can truly make a difference in the lives of others, for the glory of God.

Pastor Curt focused on the importance of fighting for the next generation. Whether we are a parent, a neighbor, a fellow church member, or a student ourselves, each of us has a part to play in pouring into, developing, and believing in the next generation. Sometimes it may seem like they want us to back off, but the truth is, this generation wants us to fight for them. So let's engage with our young people and see this generation change, in Jesus' Name!

### Make It Practical

- Pray for this generation to: Fear and reverence God, have divine favor, have Godly friends and influences
- Prioritize church: Our kids need the consistency, and strength that coming to church gives them.
- Participate in the development of the Next Gen by being: an example, available, and positive about them.

### Discussion Questions

- Share with the group how this message impacted you. Do you feel challenged? Encouraged?
- Why is it important for young people to attend church regularly? What adjustments do you need to make to your schedule in order to make church a priority?
- What is the part you have to play in fighting for the next generation? How will you participate in developing those who are younger than you??

### Prayer Focus

Father, let the spirit of Nehemiah fall on us today. Help us see the opportunity we have before us to rebuild the next generation. Give us passion and ideas for how we can support and develop Generation Z. We ask You to bless every student and parent represented in our group. Give our young people a healthy fear and reverence for You, God. Surround them with Your divine favor. And bring Godly friends and influences into their lives. We believe You are going to do powerful things in the next generation. Show us how You want us to be a part. In Jesus' Name, Amen.

### Next Steps

Decide on a method of fasting for the next three weeks, and commit to following it closely. Commit to participating in every prayer service during these 21 days. Stir up your faith, and expect God to move in your life in a powerful way.

### Leader Tip

Encourage your group members to think about how they can be a part of helping develop the next generation here at Victory. Talk about the opportunities to lead Groups for students, to serve in Victory Kids, and to serve with Victory Student Ministries. Challenge your group members to attend the **new** Growth Track next month and get involved!
