2026

Legacy Vision

Dear Legacy Team,

This year, the Lane Report represents more than a strategy—it carries the heart and spiritual focus of our church. It reflects where we believe God is leading us and the Kingdom impact we are called to make in this season. Each lane expresses our mission to reach people, change lives, develop leaders, and establish the next generation in faith.

Your leadership in this moment is vital. You have consistently led in prayer, vision, and generosity, creating the momentum that allows our church to step into what God is calling us to do. We are inviting you to partner with us in advancing these Kingdom priorities, laying the foundation now so that together we can bring our entire church into this vision through the Legacy Offering in December and see every goal carried across the finish line by year's end.

As you look over the progress of possibilities, here's what we're asking you to do:

- Pray intentionally as you review the current opportunities.
- Listen for the voice of the Lord and the promoting of the Holy Spirit.
- Discern the lane or project you feel drawn toward - often that pulling reflects where God is already speaking to your heart.
- Respond in obedience and take action.
- Trust that continued generosity sharpens your ability to discern when to move and when to wait.
- Be encouraged that your faithfulness is genuinely moving the needle and making a difference.

We love being your pastors,

Lane Overview

For the Capital Projects of Victory Church, our goal is to keep our buildings and facilities on pace with our church growth while maintaining a debt-free position. We see this tangible difference by opening more seats in more services at more locations, supercharging events, and preparing future leaders. This enables more people to take Next Steps as they Know God, Find Freedom, Discover Purpose and Make a Difference.

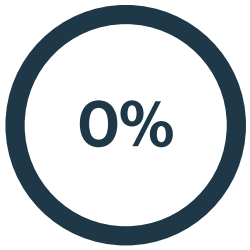

Lane Highlights

- *Building & Expansion - $500,000*
  - We are one church in many communities. By gathering in multiple locations, we remain united in vision, teaching, and mission while making it easier for individuals and families to experience authentic community close to home. This approach allows us to care for people personally, serve local needs intentionally, and create spaces where everyone can belong, grow in their faith, and live out the love of Jesus in their everyday context. Our ultimate goal is to have $5,000,000 in the bank for when an opportunity for building or expansion presents itself. We currently have $1,440,640 in that fund. The step we're taking this year is to get this fund to $2,000,000.
  - Active Projects:
    - Greenfield Relocation
      - We are looking to double our ministry space. to accommodate our primary broadcast location. Our vision includes expanded parking for convenience and safety, an extra-large lobby space to create a welcoming environment, and enhanced safety measures for kids and parking areas. This space will also serve the growth and expansion of all of our locations. Additionally, we aim to improve the outdoor ministry aesthetics to make the space more inviting for everyone.
    - Lititz Location Expansion
      - The goal is to expand the Lititz Location by adding a new building to serve as the worship environment and other strategic spaces. The expansion would allow us to renovate our current facilities to provide a better experience for kids, students, and families.
- *Residency Program - $100,000*
  - Our residency program is a vital way we invest in the future of the Church by intentionally developing upcoming pastors and ministry leaders. Through hands-on experience, mentoring, and spiritual formation, residents are given the opportunity to grow in their calling while actively serving in the life of the church. We believe this not only strengthens their leadership and character, but also multiplies healthy, mission-minded leaders who will impact communities for years to come.
- *Supercharge Reframe Women's Conference - $50,000*
  - By increasing our investment, we can expand accessibility, create an even more excellent and distraction-free environment, and provide powerful resources, worship, and teaching that help women encounter God in a meaningful way. This isn't just funding an event—it's sowing into transformed lives, stronger faith, and leaders who will carry what they receive into their homes, workplaces, and communities.

Next Gen

Vision $100,000
Received $0
Vision Gap $0

Lane Overview

We believe in funding the next generation because the strength of the Church tomorrow is shaped by the investment we make in people today. This season of life is filled with defining decisions and spiritual openness, making it a critical window to build strong foundations of faith, community, and leadership. By intentionally resourcing and supporting these individuals and their families, we are not only helping them thrive personally, but also creating healthy homes, raising the next generation with biblical values, and developing leaders who will influence the Church, the marketplace, and their communities for years to come.

Lane Highlights

- ***Outreach to Local School Districts - $50,000***
  - Investing in our local school districts by paying off delinquent school lunch accounts. This is a practical and compassionate way to care for families in our community. It removes a quiet burden from parents, ensures that students are able to learn without the weight of financial stress or stigma, and communicates that they are seen and valued. By meeting this tangible need, we create goodwill, open doors for deeper partnership with our schools, and reflect the love of Jesus in a way that makes a real and immediate difference in everyday lives.

- ***VBS (Vacation Bible School) - $25,000***
  - We want to launch a VBS - a high-impact outreach that allows us to serve more children, support more families, and create an unforgettable environment where faith comes alive in a fun and engaging way. By investing in excellence—through creative experiences, strong biblical teaching, trained volunteers, and intentional follow-up—we're not just hosting a week-long event, we're building a bridge for ongoing connection to our church. VBS is important to us because it reaches families we may not otherwise meet, helps children take their first steps toward a relationship with Jesus, and strengthens our church by raising up the next generation to know, love, and live out their faith.

- ***VSM Momentum Conference - $25,000***
  - Student ministry exists to walk alongside students as they take real, meaningful next steps in their journey of faith. By investing intentionally in this conference experience we will provide scholarships to make this opportunity more accessible to more students.

Local Outreach

Vision $50,000
Received $0
Vision Gap $0

0%

Lane Overview

Our commitment to serving the community of Lancaster County is at the heart of our organization. Through various outreach initiatives, we strive to make a positive impact on the lives of those in need across our diverse and vibrant community.

Lane Highlights

- *Unrestricted Ministry - $50,000*
  - Unrestricted, led by Cody and Tiana Stoneback, is an opportunity to see how God can transform entire schools through the faith and obedience of one person and a generation willing to say yes to Him. So many students have never truly encountered the Gospel, and our local schools represent one of the most significant mission fields right in front of us. By supporting this movement, we are empowering students to live out the Great Commission where they already are—creating spaces for worship, salvation, baptism, and ongoing transformation among their peers. This isn't just an event; it's the multiplication of student-led faith, the unity of churches and families, and the opportunity to see lasting revival take root in our schools and community.

Regional Outreach

Vision $100,000
Received $0
Vision Gap $0

Lane Overview

Our Regional Outreach initiatives are dedicated to creating a positive impact in communities beyond Lancaster County. By carefully selecting ministries and missions across the region and the United States, we actively contribute to various communities nationwide. We share these stories through the number of people engaged and actively serving, as well as the number of lives impacted by our dedicated teams.

Lane Highlights

- *House of Resurrection - $50,000*
  - We believe in this ministry because it is a powerful testimony that no life is too broken for the restoring power of Jesus. What began in deep pain, addiction, and shattered relationships has become a place of resurrection, healing, and hope for countless others walking through the same struggles. By investing in this ministry, we are helping men find true freedom, marriages be rebuilt, and families experience wholeness again. It reflects the heart of the Gospel—where shame is replaced with grace and graves become gardens—and it gives people a safe, Christ-centered path toward lasting transformation and a future that once felt impossible.

- *Hope, Inspire, Love - $50,000*
  - We believe in this organization because it is bringing the hope and light of Jesus into one of the darkest and most hidden injustices in our world. Through prevention, outreach, trauma-informed mentorship, and restorative care, they are not only rescuing and supporting survivors but also working to stop exploitation before it begins. Their holistic approach helps women and girls experience true healing, regain their dignity, and step into a restored future. By investing here, we are standing for freedom, protecting the vulnerable, and actively living out our calling to seek justice, love mercy, and be a voice for those who are too often unheard.

Global Outreach

Vision $100,000
Received $0
Vision Gap $0

Lane Overview

Our Global Outreach efforts work to fulfill the Great Commission through church planting, people coming to Christ, and nations being changed. Through various ministries and missions hand-selected around the world, we are able to assist in global church planting, discipleship, and outreach directly. We share these stories through numbers of churches planted and leaders trained as well as reports of people coming to know Christ.

Lane Highlights

- *King of Kings Ministries - $75,000*
  - This ministry represents a strategic and spiritually significant investment in the heart of Jerusalem, a place with deep biblical and global importance. What began as a simple Bible study has grown into a thriving congregation that is discipling believers, serving the local community, equipping leaders through the Israel College of the Bible, and creating meaningful connection between local and international Christians. By supporting this work, we are helping advance the Gospel in a region that impacts the world, fostering unity across cultures, and strengthening a ministry that is raising up mature followers of Jesus and extending His love in both practical and transformative ways.

- *Children's Cup - $25,000*
  - Children's Cup reflects the heart of God for the vulnerable and creates real, lasting change where it's needed most. By focusing not only on immediate needs but on long-term transformation, it gives children in the world's hardest places the opportunity to experience hope, stability, and a future filled with purpose. The holistic, relational approach strengthens entire communities, creates safe environments for kids to grow and thrive, and reminds them that they are seen, valued, and never forgotten. This kind of impact reaches beyond a moment, it helps rewrite the story of a generation.

We're Better Together
