Leader Conversation Guide – Hosting the Presence of God for Ourselves

Main Idea

God created us for more than simply believing in Him—He created us to know Him personally. From the very beginning, humanity was designed to bear God's image and host His presence. Eternal life isn't just a future promise; it's an invitation into a daily relationship where we experience God's presence firsthand.

This week's message reminded us that transformation happens in God's presence, not merely through gaining more information. As we humble ourselves, quiet the distractions around us, pursue Him with childlike hunger, and cultivate gratitude, we create space to encounter God more deeply. Let's discuss what it looks like to intentionally host God's presence in our everyday lives.

And this is eternal life, that they know You, the only true God, and Jesus Christ whom You have sent.

JOHN 17:3

Make it Practical:

Practice humility instead of self-reliance.

- God's grace flows to those who recognize their need for Him.
- James 4:6

Protect time for God's presence.

- Make intentional space to be still and listen to Him.
- Psalm 46:10

Stay spiritually hungry.

- Approach God with childlike dependence and cultivate a thankful heart every day.
- Matthew 18:3; John 5

Talk About It

How would your daily life change if you viewed time with God as an encounter instead of another task?

When have you experienced God transforming your heart rather than simply teaching you something new?

What practical change could help you become more intentional about hosting God's presence this week?

**The deeper we go with God, the more
dependent we become on Him.**

Prayer

Lord, thank You for inviting us into a real relationship with You. Teach us to quiet our hearts, humble ourselves before You, and seek You with genuine hunger. Let Your presence shape our thoughts, our actions, and our lives so that we become more like Jesus every day. Amen.
