Leader Conversation Guide – Most Requested: Sharing My Faith

Main Idea

Jesus calls every follower to share the Good News and represent Him to the people around us. That doesn't mean we need to become experts at answering every question or delivering the perfect message. Sharing our faith begins by genuinely caring about people, building relationships, and allowing the way we live and the story God is writing in our lives to point others toward Him.

We can confidently share Jesus because the power isn't in our ability—it's in the message. As we connect with people, share our stories, and create opportunities for them to encounter God, we can trust the Holy Spirit to do what we cannot do. An encounter with Jesus changes everything.

We are Christ's ambassadors; God is making his appeal through us.

2 CORINTHIANS 5:20

Make it Practical:

Be intentional with relationships.

- Look beyond your own world and recognize the people God has placed around you.
- Luke 19:10

Let your life tell the story.

- Your words, actions, and personal testimony can point people toward Jesus.
- Matthew 5:16; Acts 1:8

Trust God with the results.

- Keep Jesus at the center, extend the invitation, and allow the Holy Spirit to work.
- 1 Corinthians 2:1–5

Talk About It

Who has God placed in your everyday life that you may have overlooked as an opportunity to show His love? How could you become more intentional with that relationship? — Colossians 4:5–6

If someone asked you, “Why do you follow Jesus?” what part of your story would you share with them? — 1 Peter 3:15

Which “wrong picture of God”—a locked gate, a pile of luggage, or an endless ladder—do you think keeps people from approaching God today? How can the truth of God’s grace change that picture? — Romans 5:8; Ephesians 2:8–9

The power is in the seed, not the sower.

Prayer

Jesus, help us see the people around us the way You do. Give us wisdom, courage, and grace to share the hope we have in You. Open doors for meaningful conversations and help us faithfully plant seeds while trusting You with the results. Amen.
