

Leader Conversation Guide – Vision Day

Main Idea

What we do with our lives matters, and the impact of our lives can extend far beyond our lifetime. God gives us vision, but we get to set the pace through our faith, obedience, and generosity. The question isn't simply what we want to accomplish, but what God wants to accomplish through us.

During Vision Day, we were challenged to dream bigger about the future of Victory Church and the legacy we are building together. From developing future leaders to reaching the vulnerable, investing in the next generation, and expanding our locations, every opportunity gives us a chance to make a difference. As we begin our discussion, let's ask ourselves: What will we do that will outlive us?

Where there is no vision, the people perish.
PROVERBS 29:18

Make it Practical:

1. God gives us vision, but we must respond.
   - God speaks through dreams and visions to reveal what He wants to accomplish.
   - Vision requires faith, obedience, and a willingness to take the next step.
   - Proverbs 29:18; Acts 2:17

2. Legacy is built through what we invest in.
   - Legacy is about where our lives continue to make a difference.
   - We can invest in the next generation, the vulnerable, global impact, and the future of the church.
   - Matthew 6:19-21; Psalm 78:4

3. We move forward together through generosity.
   - God gives us the vision, but we get to set the pace.
   - Our collective generosity allows us to accomplish more together than we could individually.
   - 2 Corinthians 9:6-8; Acts 20:35

Talk About It

When you hear the word “legacy,” what comes to mind? What would you want people to remember about the way you lived your life?

The message highlighted five lanes of legacy: Local, Regional, Global, Next Gen, and Projects. Which of these areas resonates most with you, and why?

What is one area where God might be asking you to take a step of faith, obedience, or generosity right now?

We are serious about making a difference

Prayer

Heavenly Father, thank You for inviting us to be part of something bigger than ourselves. Help us trust the vision You have given us and be faithful with what You've placed in our hands. Give us generous hearts and a willingness to take our next steps in obedience. May our lives make a lasting difference in the people and communities around us. In Jesus' name, Amen.

Next Steps

Pray for vision. Set aside time this week to ask God what He wants to accomplish through your life and where He is leading you next.

Identify your legacy. Think about one person, ministry, or cause you can intentionally invest in that will make a difference beyond your lifetime.

Take a step of generosity. Identify one practical way you can give your time, talents, or resources toward something bigger than yourself.
